Teodor COJOCARU

MSc Student
University of Bucharest
Faculty of Geography
Department of Geomorphology, Pedology,
Geomatics

phone-fax-email

 +40724986106

 teodordanielcojocaru@gmail.com

Address:

University of Bucharest,
Faculty of Geography,
1, N. Bălcescu Av.
010041 Sector 1, Bucharest

Research topics

Karst geomorphology in geospatial analyses

- Tectonic-structural geomorphology of karst terrains
- GIS-based karst systems vulnerability assessment
- Reconstruction of continental paleoenvironments through speleothem analysis

Other topics

- GIS analysis of landslide susceptibility

Publications

- Tîrlă L., Drăgușin V., Mirea I., **Cojocaru T.**, Speleomorphology of M3-R2 – the highest cave in SE Carpathians, *Revista de Geomorfologie* (in press).
